****NOTE:** as of 9/3/2014, all **Unit Assessment Items** are being delivered through the **District Resources tab**, using the **Search All Components** tool. Districts will continue to have the ability to manage access to unit assessment items.

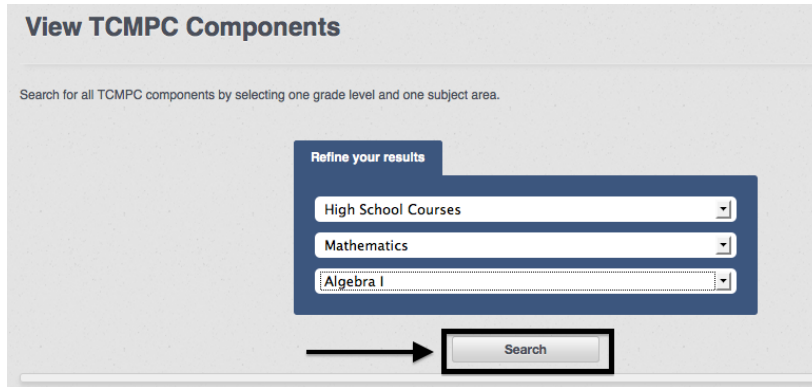

To access TCMPC Curriculum and Resources for one subject and grade or one course, you can use the View TCMPC Components section in the District Resources tab.

1. Select one grade level from the drop-down menu.
2. Select one subject area from the drop-down menu.
3. If you selected **High School Courses** as your Grade Level, once you select the Subject Area, you will then receive a list of relevant courses.

4. Click the **Search** button.

5. You will then receive a list of your search results. Click on title bars to populate content under component type. Click on the title of any item to view that content.
