

EXPAND YOUR SHOWROOM WITHOUT ADDING SQUARE FOOTAGE

We've partnered with Mega Group to offer interactive touch-screen solutions

- Maximize floor space using the power of the "extended aisle"
- Showcase your entire product line, even in a small store
- Promote high-margin pieces and upsell items
- Advertise sales on a daily, weekly or seasonal basis

Get started today

- Display your web site on an interactive touch-screen
- Showcase your expanded product assortment
- Allow customers to view optional colours and styles
- An endless aisle of never out-of stock product
- Announce promotions, incentives and seasonal offers
- Display product demos, features and upsell items
- Free up sales staff
